

# CAVERSHAM PARK PRIMARY SCHOOL

## EASTER 2026

As we prepare to enjoy a well earned Easter break after another busy term, it is lovely to be able to share news about recent events in school and to update you about one or two other things to do with school life.

### World Book Day

It was great fun celebrating World Book Day in school earlier this month. Seeing the children and staff altogether in the hall, dressed in their colourful and creative book character costumes or cosy reading outfits was amazing and the children produced some great book focused work in their classes. It was also wonderful to be once again joined by the very creative book character potatoes on this occasion too. Most amusing! A big thank you to all of you for supporting your child / children with their costumes and potato creations: it was much appreciated. Thank you also to Mrs. Twyford for leading on this event.

### Science Week

The children enjoyed undertaking a range of extra science lessons as part of their Science Week last week and it was lovely seeing them share what they had learnt in our Celebration Assembly that week. Thank you also goes to Miss Gundry for planning and overseeing the Science Week. It was another fun and informative week.

### Class Outings

To further enhance their science learning, Owl and Woodpecker classes recently enjoyed a visit together to the Winchester Science Museum. Great fun and lots of hands on learning was had finding out about all things science. Whilst the children in Duck Class visited The Lookout Discover Centre in Bracknell, which for our Reception Class children was their first school trip on a coach and so very exciting! Again, the children had lots of fun exploring activities the centre. On both trips the children were a credit to the school behaviour and manners wise: we are so proud of them. Thank you to all the members of staff who organised and helped on these trips.

### Sporting Fun

The children in Year 6 recently participated in a Netball Tournament hosted at Highdown School, alongside a couple of other local schools. The accompanying staff reported that all of the children played to the best of their ability and that they represented the school brilliantly. Thank you to Mrs. Price for leading this. In addition a group of Year 3 children enthusiastically participated in a football tournament at EP Collier Primary School. Playing matches against teams from EP Collier Primary School and Thameside Primary School. A fun time was had indeed! Thank you to Miss Gundry and Mrs. Twyford for taking them to this event.

### Rock Steady Concert

The children who have Rock Steady music lessons, entertained us and their parents / carers with the performances in their end of term concert this week. Their singing and playing was extremely enthusiastic! Well done to the all.

### Parent/ Carer / Teacher Meetings & Open Afternoon

Thank you to all those parents / carers who took the time to participate in the recent meetings with the teachers and for joining us yesterday at the Open Afternoon. We hope that you enjoyed seeing all that your child / children has / have been learning.

### PSA Easter Raffle & Events

Thank you to all those of who donated Easter goodies for the PSA Easter Raffle yesterday and to those who joined the PSA ladies in the school hall for a cuppa, and the drawing of the Easter Raffle. Your generosity in supporting this event raised £270, so thank you. As always, I would also like to thank the PSA team for all of their hard work and support. We now look forward to the summer Family Barbecue they are now planning on Friday 10th July: for which they have asked if any parent / carer / family is able to help with donations of food items for the barbecue, please can they let them, Mrs. Booth or Mrs. Mulford in the school office know. Thank you.

## Diary Dates
