

CAVERSHAM PARK PRIMARY SCHOOL

JUNE 2026

With the final term of the school year nearly at an end, I would just like to share with you news of things that have been happening in school and update you about one or two things that are occurring between now and the end of term.

Sweltering Summer Weather

Well, last week was certainly the week that was in terms of the weather! However, I would like to say a huge thank you to all of our children, our staff and our parents / carers for working together to ensure that we all survived the heat in school and that the children were all supported. It certainly will be one to remember!

Sporting Fun

Owl Class took part in a Rounders event earlier on in the term at Emmer Green Primary School. Great fun was had by all and they were a credit to the school.

Sports Day

Having had to cancel our scheduled date and time for Sports Day due to the extreme sun and heat, we could not have had a more perfect afternoon this week for it. Once again, it was a wonderful event and all of the children (and may parents / carers and toddlers) participated with enthusiasm! The children and staff really enjoyed themselves. As always, thank you to Mrs. Price and the staff for their hard work in organising the event and making it run so smoothly. The winning House will be announced in Celebration Assembly on Friday 10th July.

PSA Family Barbecue Preparation

A huge thank you to the PSA ladies, who are busy organising the Family Barbecue and Fun Event, which is taking place 3:30—5:00pm on Friday 10th July. Thank you also to everyone who has donated items for this event on our two recent non school uniform days. It is sure to be another enjoyable event. Please remember to go onto ParentPay and order your food items though!

Year 6 Residential Visit

Final preparations are being made by staff and Y6 children / parents in readiness for the Year 6 residential trip to Hooke Court in Dorset this week. The excitement is building and Mrs. Price, Mrs. Nero, and Miss Ray are busy trying to store up energy and get plenty of sleep prior to setting off on Wednesday 1st July! Let's hop that the weather stays fine and we all have a fabulous time!"

End of Year Reports

End of year progress reports have been written for all children by their teachers and are in the process of being finalised, before being sent home with the children to parents / carers soon. As with previous years, we ask that the parents / carers of children in Year 6, come to the school office to collect their child's report. An email will be sent out notifying these parents / carers when their child's report is ready for collection.

KS2 Production

The children in KS2 are busy rehearsing their production of **Aladdin Trouble** which they will be performing to their parents / carers on Wednesday 15th July. KS2 parents / carers, please return your ticket request, so these can be organised in plenty of time.

Diary Events
