

CAVERSHAM PARK PRIMARY SCHOOL

MAY 2026

Whilst it has been a relatively short term in school: once again, it has been another busy and successful one.

End of Key Stage 2 Assessments

Once again, a huge thank you goes to Mrs. Price for all they have done this year in preparing the Year 6 children for their recent Key Stage assessments. Their hard work, supported by Mrs. Newbury and various members of classroom support staff, is much appreciated.

As always, whatever the outcome, when the end of key stage results are published it certainly won't deter from the fact that there has been high quality teaching and learning going on throughout the school and that we are proud of all of the children, regardless of any external test results.

Sporting Success

A huge well done goes to some of the children in Years 3, 4, 5 & 6, who have recently taken part in cross country events at Emmer Green Primary School. Some of our Owl Class children also participated in an athletics event at EP Collier Primary School recently and they too are to be congratulated. As always, all of our children participated with great energy and enthusiasm in all of these sporting events and their team spirit and sporting behaviours are to be admired. Well done to them all and a big thank you to the members of staff who have supported the children at these events.

PSA Fundraising

The PSA committee are now working hard on plans for their Family Barbecue and Fun Event on Friday 10th July: for which we are having two non-school uniform days on Friday 12th June & Friday 26th June, in return for donations for raffles and tombola stalls at this event.

More details of this will follow in Term 6. As always, if you are able to help out in any way at this event, please let a member of the PSA know.

Sports Day

Just a reminder that Sports Day will take place on the afternoon of **Wednesday 24th June** (with Monday 29th June being a reserve day in the event of wet weather). Parents / Carers, Grandparents and younger siblings are welcome to join us on the school field to watch the children take part in the various races, before the children then return to school with the rest of their class to collect their belongings for the end of the school day. For those parents / carers who are new to the school, this event takes place on our school field adjacent to Clayfield Copse. There will be signage to help you find your way to the field for this event which will start at **1:15pm**. All of the children will need to wear their school PE kit for this event, which they can come to school wearing that day.

Car Parking

Please can we remind you that the school car park is for staff and visitor parking only and it is not to be used for parent / carer parking. Parents / carers are to park considerably in neighbouring roads, being mindful of pedestrian safety and not blocking residents access. Thank you for your support with this.

Breakfast Club

It is lovely to see so many of the children taking up the offer of the free Government Breakfast Club, which we are offering as part of an early adaptor scheme. We are delighted to share with you that this offer will continue in September, with arrival at 8:15am each morning. As with all of our wraparound care offer, please see the school website for further details, or contact the school office and speak to Mrs. Mulford or Mrs. Booth. As always, a big thank you goes to all of our members of staff who work hard in providing our Breakfast and After School Clubs.

Health Alert

Following recent diagnosed cases of Meningitis in both secondary and primary school settings in the Reading area, if you haven't already done so, please visit the **NHS website** <https://www.nhs.uk/conditions/meningitis/> to see the signs and symptoms of the disease. As outlined in a recent email sent to you, it is with great sadness that we have learnt about the sudden passing of Lewis Waters, a former Caversham Park Primary School pupil. Our thoughts go out to his parents, his sisters and his wider family at this devastating time. Lewis will always be remembered as a hard-working, kind and cheerful pupil during his time here with us.

Internet Safety

Please can we ask that you support us by talking to your children about when they are using school computers in school that they should not log in to personal accounts on platforms such as Scratch or other programs. In school, we provide school-managed logins to help keep all pupils safe and to ensure their work is stored and monitored appropriately. Mrs. Twyford, our Computing Lead, has spoken to all of the children about this and we appreciate your support by reminding your child / children about this.

Future Events
