

CAVERSHAM PARK PRIMARY SCHOOL

FEBRUARY 2025

With term 3 coming to a close, please find below details of recent school events and other important information regarding life at school.

Year 4 Class Assembly

Last week, Year 4 shared an extremely informative and entertaining assembly about Ancient Greece, which demonstrated just how much they have learnt about this topic in history. Well done to all of the children and a big thank you to Miss Gundry for putting such a wonderful assembly together.

Internet Safety

Tuesday this week was National Internet Safety Day and so the children all participated in various lessons and assemblies which have provided a further focus on how to keep safe whilst using the internet. Thank you to Mrs. Twyford for leading this day and also for presenting an informative session for parents / carers on keeping children safe when they are using the internet. Please visit the computing page of the curriculum area of the school website to find links to further e-safety resources.

Highdown School Production

Years 5 & 6 enjoyed a visit to Highdown School this week to see a drama and music production of "Our House". Thank you to Highdown School for inviting us to watch the play: it was very entertaining.

World Book Day

On **Thursday 6th March**, we are celebrating World Book Day in school. Once again, the children are welcome to come to school dressed up as a children's book character for the day, or this year they can come wearing their "cosy reading" clothes or pyjamas. On World Book Day, the children will be undertaking various book-themed activities in their classes as usual and as per last year, we are running a competition in which children can bring in a potato that they have turned into a book character at home, which will then be judged. There will be tables out in the hall before school that day, for the children to put the potato characters on. We look forward to seeing their creations.

Parent / Carer Meetings & Open Afternoon

Parent / Carer / Teacher meetings are scheduled to take place in school on **Tuesday 18th & Wednesday 19th March** (more details to follow). However, to once again provide an opportunity for parents / carers to look at their children's work in school, we are holding an Open Afternoon session from **2pm on Thursday 3rd April**. As well as spending time in the classrooms, the PSA are also inviting parents / carers to join them in the hall from 2:30pm onwards for a cuppa and the drawing of their Easter Raffle at 3:30pm. We look forward to seeing you at both of these events.

PSA Events & Fundraising

The PSA invite you to join them at their AGM on **Friday 7th March at 2:30pm**. This meeting is a good opportunity for parents / carers to find out more about their fundraising events and to become involved in the PSA. As outlined above, the PSA are holding their Easter Raffle on **Thursday 3rd April**: for which we will be having a non school uniform day on **Friday 28th March** in return for Easter-themed donations, including bottled items and chocolate goodies. Fundraising by the PSA and your support of it, is essential in helping us purchase new resources for the children to use in school.

Year 3 & Year 4 Play

The children in Heron and Owl classes are busy rehearsing songs and words for their forthcoming "Rockpool Rock" production, which they will be performing to their parents / carers on **Monday 31st March**. Further details regarding these performances for the Year 3 & Year 4 parents / carers will be published in due course.

New School Website

We are delighted to announce that our new school website is launching soon. The designers are just making some final tweaks. We will let you know as soon as it is online. It really does provide an up to date view of the school. At this point, I would like to say a special thank you to our school photographer Andy, of Berkshire Primary Images, who has taken all of the photographs that are going to be shown on the website (you may have seen him around the school taking photos). Then another special thank you goes to Greg and Venisav of Parkers Estate Agents who have produced video drone tours of the inside and outside of the school site. These are amazing and a sneaky peak of one of these ahead of the website launch can be viewed here: <https://www.youtube.com/watch?v=9MBjQLjWz58> (please copy and paste this link into your browser).

Thank you also to Dev Hunjan, one of our parents / governors who assisted with the enabling of the drone filming on the INSET Day in November.

As an aside, Andy, our photographer has asked that if any parent / carer would like to provide permission for him to use any of the photographs on his own website, as promotional material, to let me know once they are available to view, so that I can give him permission to use them. Some of them can be seen at the end of this newsletter.

Future Events

Finally, please find below an overview of things that are going to be happening in school over the coming weeks. More details for specific events will follow.

Thursday 6th March

World Book Day

Friday 28th March

PSA Non School Uniform Day—in return for donations for "Easter Treats Raffle"
