

Together we enjoy, create and achieve

Caversham Park Primary School

Supporting your Child in and out of School

A guide to how we support children with Special Educational Needs and their Mental Health and Well-being.

Would you like to find out more about how children are supported in school?

Do you have questions about how to help your child with their school life or at home?

**Then come along to an information workshop
run by Miss Innes & Mrs. Newbury
Thursday 7th November
8:45—9:30am
in the Nest**

During the workshop you will find out more about:

- **How we support all pupils with their mental health and well being.**
 - **How we support children on the SEND register with their individual needs.**
 - **Neurodiversity and how we can help.**

You will also have a chance to meet other parents / carers and ask questions.

Refreshments provided!
